## ABOUT US:

**Riddhi Siddhi Enterprises** came into fruition in 2006. We are a prominent manufacturer and supplier of various elements required for packaging (wooden crates, boxes, pallets etc), we pride ourselves for the quality of our products, service, and timely delivery.

**We provide customized Solution for Customer product packing according to the demand. Effective and efficient service is our prime objective.**

We supply wooden crates, boxes, pallets manufactured using Rubber wood, Pine wood, Plywood, etc. We also supply with Bubble wrap, Aluminium foil vacuum packaging. Along with it we also supply stretch film, silica gel, corrugated pad/roll, tarpaulin bags as per customer requirements. All the Seaworthy packaging is done with fumigation, heat treatment. The wood used in making boxes, pallets and crates are carved out of superior quality, using modern machinery, and designing techniques.

Our main objective is to provide our clients with the highest quality of product, along with the best customer service.
